

## TRAFFIC VIOLATOR SCHOOL CLASSROOM LOCATION LIST

TRAFFIC VIOLATOR SCHOOL UNIT  
P. O. BOX 825383 N-229  
SACRAMENTO, CA 94232-5383  
(916) 657-6549

### **IMPORTANT! PLEASE READ:**

A court may refer you to a traffic violator school at any time. However, California Vehicle Code Section 1808.7 mandates that only one citation in an eighteen (18) month period be masked from public view on your driving record. The eighteen (18) month period is calculated from citation/violation date, not class attendance date.

You may attend any school listed in any area, unless the court instructs you otherwise. ***In addition to any court fee, a fee will be charged by the school.*** While the overall traffic safety information imparted is similar, the methods of instruction and class fees vary. You may wish to call a variety of schools to determine what school you wish to attend.

This list is arranged alphabetically, by county and alphabetically, by judicial district within each county. Following the name of each judicial district is a listing of the cities in which classes are offered within that district. Each city is numbered. The city numbers are noted after or below each school name to show the cities in which a specific school offers classes.

Listed on pages 14 and 15 of this list are schools that provide foreign language instruction. The schools are listed by county in which instruction is provided.

When you have completed the course, the school will issue you a completion certificate. ***It is your responsibility to return the certificate to the court.***

If you need an extension of time, please contact the court which imposed the sentence. The Department of Motor Vehicles has no authority to grant extensions of time; only the court that sentenced you has that authority.

Any person(s) involved in the offering of, or the soliciting for, a Completion Certificate for school attendance in which the person receiving the certificate does not attend, or does not complete the minimum required time of classroom instruction may be found guilty of violating Section 134 of the Penal Code, a felony.

Page 16 contains a Traffic Violator Class Evaluation. Although it is not mandatory that you complete the survey, information regarding classes assists the department in its evaluation of the program.

The list has been approved by the Department of Motor Vehicles. It may not be reproduced or modified without prior written approval.
